security of tenure of office is conducive to efficiency, besides being free from the influences of party politics which is borne out in evidence in the working of the two Municipalities at present. The proposal involves the amendment of the several provisions of the City Municipalities Act and standing orders relating to recruitment etc., as above. Having regard to the above facts, it is for consideration if the resolution of the Municipal Council may not be vetoed. The Minister is also against this proposal.

Dear Mr. Narayana Rao,

With reference to the Council resolution dated 13-9-1941 recommending the amendment to the City Municipalities Act to permit the Council to appoint its own officers and employees of all grades and denominations, sent with my letter No. A_S-261/41 dated 17-9-1941, I write to state that the approval of the amendment would amount to vesting in the Council the power to appoint the Commissioner, the Health Officer and the Engineer and this is obviously not desirable in the present circumstances. The proposal may therefore be vetoed.

Yours sincerely,
